I am not familiar with the libraries and tried to solve it with a naive approach. So far I have: newtype MyInt = MyInt Int deriving (Eq, Ord) printRandom :: Int -> IO () printRandom n = putStrLn \$ show n + 1 randomInts :: IO Int randomInts = do n IO Int randomStdGen n = do gen Science & Exploration Proof of ExoMars Soil Composition 14/01/2014 4562 views 107 likes New data
