Category:1990 introductions Category:Microsoft OfficeLiska, Slovakia Liska (, Hungarian pronunciation:) is a village and municipality in the Komárno District in the Nitra Region of south-west Slovakia. Geography The village lies at an altitude of 117 metres and covers an area of 19.243 km². History In historical records the village was first mentioned in 1224. The first records concerning Liska are to Christian records. Demography According to the 2011 census, the municipality had 435 inhabitants. The well preserved Roman Catholic church of St. Elizabeth (built in the Renaissance style) served as a reminder of its history. Remains of the past are still to be seen in the Catholic cemetery as well as the Jewish cemetery. Transport It lies on the Nitra River, approximately 18 km from Bratislava, and has a railway station, from which trains run to Bratislava. See also List of municipalities and towns in Slovakia References Genealogical resources The records for genealogical research are

available at the state archive "Statny Archiv in Bratislava, Nitra, Slovakia" External links of living people in Liska
Category: Villages and municipalities in the Komárno District Full fix-it-before-it-breaks Sight Correction, Stabilizer, Rear Foot
Control, Fold-up Tailgate Rest assured, these minor tweaks won't break the bank. 63/100 MSRP \$4,148 Street price: \$2,888
Updated after 35,000 miles The Subaru Outback is a great choice for city or highway road trips. You can reach your destination
safely thanks to the Outback's Blind Spot Monitor with Rear Cross-Traffic Alert, high levels of safety, and both Standard and
Advanced Active Steering features to ensure your comfort. Q: Mixing Java and Clojure code The trouble with programming in
the Clojure language is you can't just copy code from a Java source file into a Clojure source file. If you try, you'll get a
