
Aegisub Karaoke Effect 23 __HOT__

Download

Download link: . (Click on the picture) In this tutorial, we will create a simple animation. In this lesson, we will apply all the same methods as in the previous ones, with some changes. Today we will use layers and will use them to create the effect. But we will also use a simple method - a simple array, with which we will create a shadow effect. You can use it anywhere in your animation. If any of this is not clear to you, see the lesson in the original: In the original, it looks like this:
