This tool is based on Poonawala Parashara's "K.P. Muhurat - A Novel Technique in K.P".. K.P. muhurat is a technique which was developed by Todar Shakara in 1002 CE and is used for the purpose of finding auspicious dates for specific events like marriage, investiture, job interviews, examinations, initiation ceremonies and religious festivals. It is also used for the purpose of finding suitable times for important meetings and deals. The basic concept of this technique has been well defined in the book K.P. Muhurat by Mr. K. P. Muhurat. Key features are Maha-Muhurat (meaning Maha) of "Hara", Rahu-Kethu and other confining planets on Lagna; Rasi (season of birth) and Nakshatram (Moon sign); Moon and Mars conjunctions; Sukh-Navamsha (position of the Sun) or Chara-navamsha (position of Saturn); Timing of Karma-yuga (wording) and the period of the Bhukti-antara; Each month has a specific duration; Varsha of Jyaasa, Lava-Lakshmi, Dasha-Bhukti-Antara and Sookshma dasa-bhukti-varga; Semi-Solnum (approximations) of Maha-Solnu and Maha-Navamsha; Sartrabudhi (Art of calculation). The software generates the dates based on the astronomical calculations. Sip-Sip-Sahaya-Pada-Jnanas Given the fact that the timing of the birth is important, this muhurat calculator uses a precise, unique and creative approach to calculate the time of birth. It uses the authentic Akshati-Rasi and Bhukti-antara for the given individual. The zodiacal house, name and the sublords are provided at birth by the astrologer.
