When I format this string, this space is added with an additional space. The result of it looks like this: James Smith 1234 I want to change this space into a color in order to make it look like this: James Smith 1234 Do you have any idea how I can do this? A: You may use string.Replace for this problem. For example: string original = "James Smith 1234 "; string[] parts = original.Split(' '); string newContent = string.Format("{0}{1}{2}", parts[0], parts[1], parts[2]); string.Replace won't
